

POSITION DESCRIPTION

Lecturer in Paramedic Science – Academic B School of Health, Medical and Applied Science

(To be read in conjunction with the Lecturer Level B Position Description contained within the current [Enterprise Agreement](#)).

You will:

Make contributions to the teaching effort of the School and carry out activities to maintain and develop your scholarly, research and/or professional activities relevant to the profession or discipline. You will perform assigned teaching duties with students on and off campus with a standard of planning, preparation, presentation and assessment as necessary for students to achieve unit and course objectives.

You are responsible for:

- Conducting tutorials, practical classes, demonstrations, student field excursions, clinical/studio sessions, workshops, and/or residential schools.
- Initiation and development of unit material.
- Acting as a unit coordinator.
- Preparing and delivering lectures and seminars.
- Supervision of the course of study of honours students or of postgraduate students engaged in unit work.
- Supervision of honours or postgraduate research projects.
- Conducting research (either individually or within a larger project as appropriate to the academic's abilities).
- Involvement in professional activity.
- Developing unit material with appropriate advice from and support of more senior staff.
- Marking and assessment.
- Consultation with students.
- A range of administrative functions, the majority of which are connected with the units in which the academic teaches.
- Attending school and/or division meetings and/or membership of a number of committees.
